TRAFFIC ADVISORY

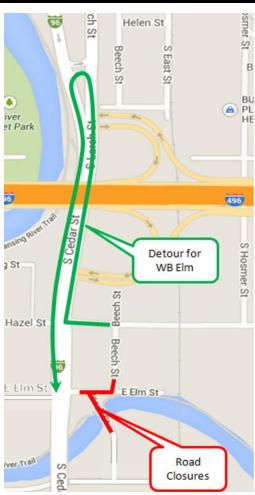

CLOSURE OF BEECH STREET BRIDGE & E. ELM STREET BETWEEN THE BRIDGE AND BEECH STREET

The City of Lansing Public Service
Department announces that on Monday,
May 19, 2014, the Beech Street Bridge
will be closed to all traffic, including
pedestrians. In addition, as part of this
closure, E. Elm Street will be closed to
all traffic between the Beech Street
Bridge and Beech Street to allow for
sewer construction.

The posted detour for westbound Elm Street onto southbound Cedar Street is west on Hazel Street to Cedar Street; north on Cedar Street to the Mich. left / U-Turn (north of I-496); then, south on S. Cedar Street.

This closure is expected to remain in-effect until early October, 2014. Updates on the schedule regarding this street closure will be provided as appropriate.

Access to businesses adjacent the construction zone will be maintained. Motorists are advised to seek alternate routes whenever possible.
